Attention: Randy Adamack

Gentlemen:

We would like to publish the 1985 schedule of the Seattle Mariners in newspapers in the Seattle area as a part of a Marlboro advertisement that would be similar in format to the one enclosed with this letter. We propose to use the official schedule distributed by the Commissioner's office.

We hereby request your consent to our use of the Mariners' name and schedule in the manner described above. If you have no objection to such use, we ask that you so indicate by having a copy of this letter countersigned and returned to me. By so doing, you would also confirm that our proposed use will not conflict with any other obligations you may have undertaken and that the Seattle Mariners Baseball Club and its undersigned representative are authorized to grant this request.

Since we are on a very tight production schedule, we ask that you send the countersigned letter to me for overnight delivery no later than Tuesday, April 2. If convenient, we would also appreciate your enclosing a copy of the Mariners' 1985 schedule as confirmation that we have the latest version.

Please feel free to call me at 212/880-3254 with any questions or comments.

Sincerely,

Vincent J. Weiner
